N. Green Hills Road Improvements

NW Platte Brooke Dr. to NW 78th St.

PROJECT UPDATE

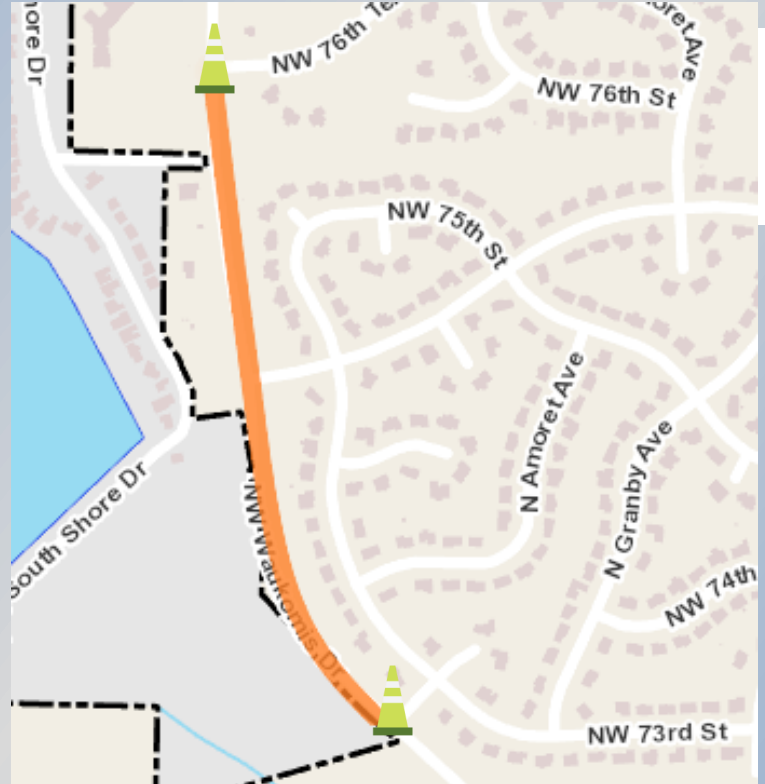

Project Manager: Patty Hilderbrand, City of Kansas City, MO

Traffic Control Update:

- Beginning Monday, the closed section of N. Green Hills will be extended further south to just north of NW 73rd Street
- KCPD has been advised and requested to be in the neighborhood periodically to address speeding on residential streets
- Funding for the mobile message boards has been identified and they are on order
- North Shore remains open throughout construction, but may require flaggers if work is in the immediate vicinity. Thanks for your patience

Current Construction:

- After the change in traffic control, the contractor will begin milling the pavement
- Grading & storm drainage will follow from NW 73rd St to North Shore
- Waterline work will continue on the north end of the project
- Some silt fence was knocked down during waterline work and will be restored soon, however additional rock ditch checks were added in the outlet that feeds the Lake
